Pam: Per the spirit of Bruce Pfaff's message below, please go ahead and redraft LRB 3050/3 as an Assembly Bill and jacket it for introduction as such. No hurry though - we plan to circulate a co-sponsorship memo tomorrow or Friday with a due date of Monday 11/17, so we're a ways off here. But, this is our target. Thanks!

2003 BILL

SOON
(in 11-5)

Reger

- 1 AN ACT *to amend* 632.745 (9), 635.01 and 635.02 (8) of the statutes; **relating to:**
- 2 the definition of a group health benefit plan.

Analysis by the Legislative Reference Bureau

Current law contains various requirements that apply to group health benefit plans or the insurers that issue group health benefit plans. For example, consistent with the federal Health Insurance Portability and Accountability Act, insurers that sell group health benefit plans to employers must comply with requirements related to preexisting conditions, enrollment periods, and contract renewals. Insurers that sell group health benefit plans to employers with between 2 and 50 employees are subject to certain marketing standards and to certain restrictions on premium rates that may be charged for those policies.

Current law generally defines a group health benefit plan as a health benefit plan that is sold to or through an employer on behalf of a group that consists of at least two employees or individual health benefit plans covering eligible employees when three or more are sold to or through an employer. This bill redefines a group health benefit plan so that the requirements in current law will apply to a plan issued to or through an employer covering at least two of the employer's employees, and to health benefit plans issued to three or more employees of the same employer, only if the employer pays or reimburses the employees for all or a portion of the premiums.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

BILL**SECTION 1**

11 plans, ~~policies or certificates,~~ written on risks or operations in this state, providing
